THE SOCIETY OF PORT ENGINEERS LA/LB HARBORS AND
CALIFORNIA MARITIME ACADEMY FOUNDATION PRESENT:

BILL DAULLEY MEMORIAL GOLF TOURNAMENT

EL DORADO GC, LONG BEACH
FRIDAY – JULY 15, 2022

For the past 25 years, YOUR SUPPORT has enabled us to have a successful, fun-filled tournament. This annual event has provided the continued support of direct scholarship funding to engineering students attending the California Maritime Academy, as well as the Society of Port Engineers LA/LB Scholarship Endowment. This event has also brought together Marine Industry businesses, their civilian/government partners, and friends, alike.

Congrats to all, on 25 successful years.

Besides a full roster of players, it always makes a big difference to have Sponsors at an event like this. We hope that we can count on your support. We would like our SPONSORS onboard before June 20, 2022 (for signage & program recognition). This pledged support will assist with the tournament expenses. In addition, accompanying your donation/ sponsorship, you'll receive publicity & recognition described below.

Sponsorship advertisements will include:

- TEE BOX SIGN that will be placed on the course at a designated teeing area w/company name &/or your name.
- The listing of ALL Tournament Sponsors are in the tournament program.

PRIZE DONATIONS: If you or your company would like to make a tee-prize contribution with or without your company logo, (i.e. golf balls, tees, towels, bags, shirts, etc.) or a raffle prize donation (i.e. golf gear, sports tickets, attire, etc.), please see attached submission form.
